KGTC 2020 Membership Updates

August 1, 2020

Friends and supporters of KGTC, as you all know 2020 - 2021 will be an unprecedented year, not only for gifted education, but education as a whole. KGTC is a volunteer organization whose income comes from our annual convention and regional conferences. All in-person events have been cancelled for the remainder of 2020. But we have created other events and resources to assist you and keep our gifted education community strong.

We have modified our membership for the upcoming year. In the past, stand-alone KGTC membership was \$35 OR membership was included in your annual convention registration fee. Please see below for our modifications to membership.

Your interest and support are the foundation of our organization. Our continued success depends on you.

Your membership renewal allows KGTC to advocate for gifted, talented, and creative children. We need your support to continue promoting and improving services for these children so that they may reach their full potential.

Last year, your support enabled us to:

- 1 Raise awareness about the needs of gifted children
- 2 Advocate for and support gifted children
- 3 Enhance skills of PK-12 gifted educators
- 4 Provide free resources to support virtual learning
