

KGTC September 2020 News

September 6, 2020

Membership and Convention

The KGTC Convention is GOING VIRTUAL for 2020! Due to safety concerns and tight district budgets, the KGTC board is making our annual convention easier to attend than ever. **Join us live online October 12th at 4:30 p.m.** If you are an current KGTC member, you are automatically registered to attend the convention for FREE! Not a 2020 member yet? Click [here](#) to join for only \$25. This year the convention is one evening packed full of great teaching ideas from national expert and rock-star gifted teacher, [Brian Housand](#). Brian's keynote is titled *Curiosity: Killer of Cats or Mother of Invention?* We will also offer networking time to share ideas about remote learning strategies, social emotional support, parent advocacy, and more.

Make sure your membership is up-to-date to receive all the details.

KSDE and KGTC Collaboration

Did you know KGTC is teaming up with KSDE to bring gifted educators together in an ongoing community of practice? If you have been looking for a way to connect more actively with gifted professionals across the state, please sign up for the new KGTC/KSDE listserv! KSDE has committed to providing guidance through this listserv on best practices for gifted identification and IEPs in Kansas, while the KGTC board and members will contribute practical strategies and resources that help make gifted services effective and engaging. This is a place to ask all your questions, get advice, and learn together as a gifted community. As this group grows, we hope to offer a state-approved bank of IEP goals for gifted students, free webinars on important topics, and more as this partnership develops! It is easy and free to sign up, just send an email to Pat Bone at pbone@ksde.org and use the subject "Gifted Listserv".

KGTC MEMBERSHIP 2020-2021

New membership fee of \$25 runs from September 1, 2020 to August 31, 2021, gives you voting rights, and access to the members only Virtual Convention on October 12th.
