

## KGTC October 2020 President's Letter

October 4, 2020

### [President's Letter](#)

Please click [HERE](#) for the October 4 letter from KGTC President Connie Staley.

With the start of a very memorable and challenging school year, a new opportunity for educators from the state of Kansas, and our virtual convention coming up in one week -- there is much on which to catch up.

# KGTC VIRTUAL CONVENTION

### Agenda

Welcome by President  
Connie Staley

Vote on Proposed  
Changes to Constitution

Keynote: Brian Housand

Optional Breakout  
Sessions:

- Strategies for Remote Learning
- Social & Emotional Needs of the Gifted
- Parent Support & Advocacy

### Curiosity: Cat Killer or Mother of Invention?

Curiosity is a trait that gifted students possess in abundance, but a typical classroom often leaves little space for students' questions. While inquisitive children have long been warned that "curiosity killed the cat", it is precisely that level of incessant wonderment and investigation that fuels creativity and innovation. Together we will explore some practical ways for easily integrating student curiosity into daily lessons.

**BRIAN HOUSAND, PH.D.**

### Last year, your support enabled us to:

- 1** Raise awareness about the needs of gifted children
- 2** Advocate for and support gifted children
- 3** Enhance skills of PK-12 gifted educators
- 4** Provide free resources to support virtual learning
